THIRTEEN MONTHS IN A YEAR.—The American Agriculturist for November has reached us, and as usual it is full of good things. The present number dates from the new office, 235 Broadway, and in addition to its many other beautiful engravings, contain a full page cut giving a front view of the new quarters. The increased business of the Agriculturist has required new partners, and an enlarged working force, and now its necessities demand enlarged room. In the description of the store now occupied we are told that it is five stories in height; it has a front of 25 feet on Broadway, a depth of 114 feet, with an L projection, which gives a wide entrance on Murray Street, with a spacious basement extending under the whole. The front portion of the main floor is occupied as a sales-room for a large stock of Agricultural and Horticultural Books. Farther to the rear are the subscription and other business desks, while the basement is devoted to the important work of folding and mailing the paper. The printers' room, engravers' room, and editorial "sanctum" are on an upper floor.

The cost of the American Agriculturist is only \$7.50 for a year, in advance, or four copies for \$5. It contains 32 to 40 large quarto pages, and is beautifully illustrated.

The publishers offer the December number of that valuable journal free of charge to all new subscribers for 1868, (Vol. 27,) who send in their subscriptions during this month of November. It will be the best kind of an investment. Subscriptions should be sent to the publishers, ORANGE JUDG & Co., 245 Broadway, New York City.

PETERSON'S MAGAZINE.

We are in receipt of this popular Lady's Magazine for December. It is a beautiful number, quite "ahead of the field." This magazine, in consequence of its merit and cheapness, had, in 1867, a larger circulation than all other Ladies Magazines combined. In 1868 it will be greatly improved: the reading matter will be increased, and each number will contain a Double-Size Steel Fashion Plate, elegantly colored, and a Colored Pattern in Berlin Work. "Peterson" is really the cheapest in the world; and every body ought to subscribe for it. The terms will remain \$2 a year to single subscribers. To clubs it is cheaper still, viz: five copies for \$8.00, eight copies for \$12.00, or fourteen copies for \$20.00. To every person getting up a club (at these rates) the Publisher will send an extra copy gratis.

Specimens sent [if written for] to those wishing to get up clubs.

ALLEN'S

LUNG BALM,

FOR THE CURE OF

Consumption, Bronchitis,

AND ALL DISEASES THAT LEAD TO IT

Such as Coughs, Neglected Colds, Pain in

the Chest, and all diseases of the Lungs.

Clergymen should use the Balm for

their Throats.

THIS Balm is introduced to the suffering public after its merits for positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up, for such diseases, by the medical faculty. The Balm is, consequently, recommended by physicians who have become acquainted with its great success.

As an Expectorant it has no Equal.

We copy the following interesting letter from Dr. Harter to the Middlebury, Vt. Register, Nov. 20, 1865.

Mr. Editor:—It is only to subvert the interests of humanity that I request a short space in your valuable paper to inform the public what Allen's Lung Balm is sure to do. Two years ago I was attacked with a severe cold; it settled in my throat, which so affected the organs of speech that I could not speak aloud for nearly six weeks. I got through the winter coughing nights almost incessantly, with cold night sweats, with increased irritation, which extended into the Bronchial tubes and which kept me coughing all summer. I was at Shoreham on a professional visit the past October, when the "good Samaritan" came along introducing Allen's Lung Balm into New England. I procured a bottle and took it according to directions, and found immediate relief. I have now taken two bottles, which has entirely cured me. For the past two years, or during the time of my affliction, I was in a state of constipation, which the Balm has almost effectually regulated. No family should be without this valuable medicine. I see by the Western papers that the physicians of Cincinnati (where the medicine is manufactured) are introducing it into their practice, and I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the throat, Bronchitis, tubes, and the lungs.

NATH'L HARRIS, M. D., Dentist,

Middlebury, Vt., Nov. 16, 1865.

The proprietors of this valuable Balm take pleasure in calling to the attention of all medicine dealers, desiring that they procure a supply of it, and recommend it to their afflicted patients, and friends. It will stand the test for months, as has the celebrated

Perry Davis' Pain Killer,

which has been introduced to all parts of the inhabited world, and is everywhere appreciated and sought after for sale by most of the leading

Druggists, and can always be had from them, in any quantity desired, by the country dealers.

Fever and Ague and Chills

THE

Best Remedy to Cure

IS

DAVIS' PAIN KILLER.

Directions for its Use.

TAKE 3 spoonfuls of the Pain Killer in

about half a pint of hot water, well sweetened with molasses, as the attack is coming on, bathing freely the chest, back and bowels, with the medicine at the same time.

Repeat the dose in twenty minutes, if the first dose does not stop the chill. Should it produce vomiting, (and it probably will), if the stomach is very full, take a little Pain Killer, in cold water, sweetened with sugar, after each spasm. Perseverance in the above treatment has cured many severe and obstinate cases of this disease.
